

EXPORT-IMPORT BANK
OF THE UNITED STATES

October 17, 2013

Ex-Im Contractors,

The Congress has passed and the President signed a Continuing Resolution to provide funding through January 15, 2014. The Export Import Bank is open and has resumed full operations effective today.

All contractors are expected to return to work immediately on their normal schedule.

We are processing all pending invoices as expeditiously as possible and thank you for your patience and understanding.

If you have any questions you may contact the Contracting Officer for your contract.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. T. Boyd", is written over the printed name.

William T. Boyd
Chief Acquisition Officer
